ONE DAY. ONE VOICE. ONE PURPOSE.

20 years of  
observance

This year on the 20th anniversary of Stand Sunday, join Christians across the globe to be *with* children in foster care.

1. **Understand the call:** study God's word for His love for the vulnerable child and an outline of our role as His children.
2. **Access Resources & Plan:** how can you share the call to your church or community? An informed prayer time, a video in a morning service, a sermon, Sunday School lesson, info booth, guest social worker presenter or foster parent support event?
3. **Execute and Pray:** Commit your plans to the Lord, follow His lead, educate and engage your circle and bring them together to PRAY with thousands of others around the globe for vulnerable children on November 6 & 7, 2021

For ideas, resources, a global map of participating churches and more!
